- Blender Pen

Accessory

- Big Shot
- Layering Circles Framelits
- Stitched Shapes Framelits
- Seam Binding Ribbon
- Simply Scored Scoring Tool

Instructions

Please read all the directions before starting

Step 1. Place Crumb Cake c/s landscape side on the scoring tool and score at 2", 5", 7" and 10".

Step 2. Turn and score the cardstock at 2" and 7".

Step 3. Hold cardstock landscape side with the 2" section at the top. Use scissor to cut off all but one of the 2" tall sections from the top of the cardstock as show in the video. This will be the front closure.

Step 4. Make vertical cuts at the bottom to create 1 ½" tall flaps to fold in to become the bottom of the box.

Step 5. Fold on all the score lines and apply strong adhesive to close the side tab. Carefully construct box.

Step 6. Line up the front of the box with the back of the box at the top and punch together.

Step 7. Punch two holes in flap with hand held punch. Pull flap down to close box and use a pencil to mark where holes were punched. Use handheld punch to punch holes again.

Step 8. Thread ribbon through holes on box.

Step 9. Adhere Daffodil c/s strip underneath the card flap.

Step 10. Adhere Fruit Stand DSP to the front of the box.

Step 11. Stamp birds and sentiment on White c/s and color in as shown in the video. Cut out with Big Shot and Stitched Shapes Circle Framelit.

Step 12. Cut corresponding scallop circle on Big

Shot out of Daffodil Delight c/s.

Step 13. Adhere White c/s to Daffodil and adhere to the front of the bag.

Step 14. Apply Enamel Dots to the lower right side of the box.
